ASYAPORT ONLINE SERVICES ACCESS CHANGE

Dear Customers,

Instead of logging in Asyaport Online link on the home page or from Asyaport Online login page, the application can be downloaded from the red colored "**Download new E-Service**" or "**Download new E-Service x86**" option below. The compressed file downloaded to your computer is exported using the "extract" / "dışarı aktar" option. Access can be achieved with the OPUS-Terminal-ESVC-ASIA-LIVE.exe application in the transferred folder.

Best Regards
